

Newham and Essex Beagles Athletics Club
Minutes from Annual General Meeting (AGM)
Thursday 2nd December 2021
Via MS Teams

Chair: Tony Shiret (TS)

Attendees: A Stach-Kevitz (AS-K), B Wilson (BW), E Shitta-Bey (ESB), N Hepburn (NH), S Alexander (SA), T Mundle (TM)

Apologies: W Bell (WB), R Griffiths (RG), G Chote (GC)

Report Update

- Jonathan has the SAL running better, but it is hard to tell what will happen with the men and women's senior leagues as they are new mixed leagues.
- Throws group from Southampton have joined us for the women's throws and men's distance.
- YDL UAG will compete in the Southern Premier league, for the first time in a long time.
- NEBAC Academy has been a success with good quality runners from several age groups joining the club, which is helping to build up our younger endurance groups.
- We still need more qualified officials and volunteers for the club.
- 3 meets were held this year and performance was good with money made. There are 4 meets planned to take place in summer 2022 but there are no hurdles events planned for this year.
- We have 3 indoor meetings planned to take place in 2022, currently waiting for Entry4Sport to upload online. Level 4 photo finish judge is needed.
- Priorities for this year are for all teams to get out and participate in competitions, increase the number of qualified Coaches and Officials and volunteers.
- We are doing local events such as the NEBAC Academy and we have now established contact with Bobby Moore Academy, School who has some potential high jumpers for us.
- Lots of concerts taking place around June time at the Stadium, summer meets are due to take place around the middle of the month so there shouldn't be any clashes.

Accounts Update

- We are in a healthy financial position, not much money has been spent due to lockdown restrictions preventing events from happening or being cancelled.
- Reduce number of subscriptions due to COVID
- Money has been spent on kit and we are looking to do a broader range of kit with New Balance which will require investment from the club. This will be sold to athletes.

Constitution Update

- A few items have arisen that need correcting: such as disclosures required on the NEBAC membership form. We also need to look into whether people at the stadium are covered by our insurance with UKA, do we need to extend our membership on a short-term basis so they are covered. No major changes will be made without consulting.
- Subscription levels for the coming year: we are currently offering a discount as a result of COVID and propose this continues for another year and then be revisited after this time. **All AGREED TO THIS.**

Election of Officers

Name	2022 – 2023 Committee Members	Nominated by	2 nd Vote By
Christine Ohuruogu	President Emeritus		
Adele Stacth-Kevitz	Patron		
Tony Shiret	Club Chairperson	Elyzabeth Shitta-Bey	Tony Shiret

AOB

- Names to be engraved on YDL Trophy for UAG & LAG this year are:
 - Ossari Acquah (Under 17's Men)
 - Aleeya Sibbons (Under 20's Women)
 - Noah Hanson
- Can we add to the website a section for club achievements as teams and individuals and club history which would be useful for those who may wish to join the club or for those who may be carrying out research. **ACTION:** ESB can do this but it will take time to gather all of the history of achievements
- Could we possibly bring back Club medals as an initiative to drive competition and provide an incentive. **ACTION:** This will be implemented.

Meeting Closed
