

## UK Women's League Report

2018 saw the Senior Ladies team in Division 2 of the UKWL. For the season we had three matches and we finished 3<sup>rd</sup> at Bedford, 5<sup>th</sup> at Liverpool and 4<sup>th</sup> at Sheffield. The team finished third in the Division.

Despite a sterling effort by a wonderful group of Ladies the lack of numbers in certain areas once again took its toll. But along the way there were a couple of Athlete of the Match awards for Victoria Ohuruogu in the 400m and Finette Agyapong in the 200m. Finette's performance was also a new divisional record.

With a bit of clever recruitment in the areas we are short in I see bigger and better things for this team in 2019.

This season saw the announcement of her retirement from athletics for Christine Ohuruogu, who all through her career remained loyal to the club and whenever she could came and competed with the team. Our final match at Sheffield saw Christine come along for the weekend to spend time with the team. Thanks, Christine, for your loyalty and support over the years. Best wishes and good luck for the future.

Thanks to all the athletes and officials who came out to support the team.

Tim Mundle,

UKWL Team Manager.
